PRESIDENTIAL VISIT : HIS HIGHNESS SHEIKH MANSOUR BIN ZAYED AL NAHYAN TOURS IN EIEV

30/11/2024

On the 1st December 2024, **His Highness Sheikh Mansour bin Zayed Al Nahyan** visited the Emirates International Endurance Village in Al Wathba during the pre-ride of the Union Day Cup, 120 km. This visit emphasized his support for equestrian sports, particularly endurance riding, and gave all the participants that last push to compete with their full heart and potential.

CAMEL RACES

25/11 - 1/10/2024

EIEV Timing system has demonstrated again that technology can be in perfect accordance with sports, and on a deeper level, cultural disciplines.

Therefore, they were once again relied upon during the last Camel Race at Al Wathba, ensuring a fair and safe competition, and an ecosystem designed for transparency.

UNION DAY CUP 2024 : A RACE TO BE REMEMBERED

1/12/2024

The Endurance season has officially started at The Emirates International Endurance Village with it's very first race : Union Day Cup. With more than 200 riders and horses participating in a glorious race, the Village, covered with the colors of the race, was buzzing with excitement since this prestigious event coincides with the UAE National Day celebrations and spans a distance of 120 kilometers

The timing system team was also all hands on deck for a fully controlled competition.

Dedication and hard work payed off for the first-place winner of the Union Day Cup 2024 as Al Maghawer Stables took the cup after a long a enduring race. This victory is a testament to their exceptional preparation and strategy during the 120 km race
