ALI TASKIN OZDEMIR DVM, FEI/OFFICIAL VET 4 LEVEL

ENHANCING EQUINE WELFARE: BIOSECURITY PRACTICES HIGHLIGHTED
17/01/2025

During the **Sheikha Fatma Bint Mansoor Bin Zayed Al Nahyan Ladies Endurance Cup**, a veterinary course titled "**Biosecurity: Best Practices for Setting Up Isolation Units and Managing Horses in Isolation**" was held, emphasizing the importance of safeguarding **equine health.** The course was conducted by **Dr. Ali Taskin Ozdemir,** a distinguished DVM and FEI Official Level 4 Veterinarian.

Dr. Ozdemir shared **his expertise on effective biosecurity measures,** focusing on establishing and maintaining isolation units to **prevent the spread** of infectious diseases among horses. This initiative reflected the **Emirates International Endurance Village's** dedication to promoting the **highest standards of equine welfare,** further solidifying its position as a **leader in the global endurance community.**
